

Updated Names for Downtown Campus Parking Garages

Coinciding with the opening of 259 East Erie, the names of the parking garages on the downtown campus will be updated. Garages will have corresponding letters added to their names – A through D – making them easier to remember and improving wayfinding for patients, visitors and staff.

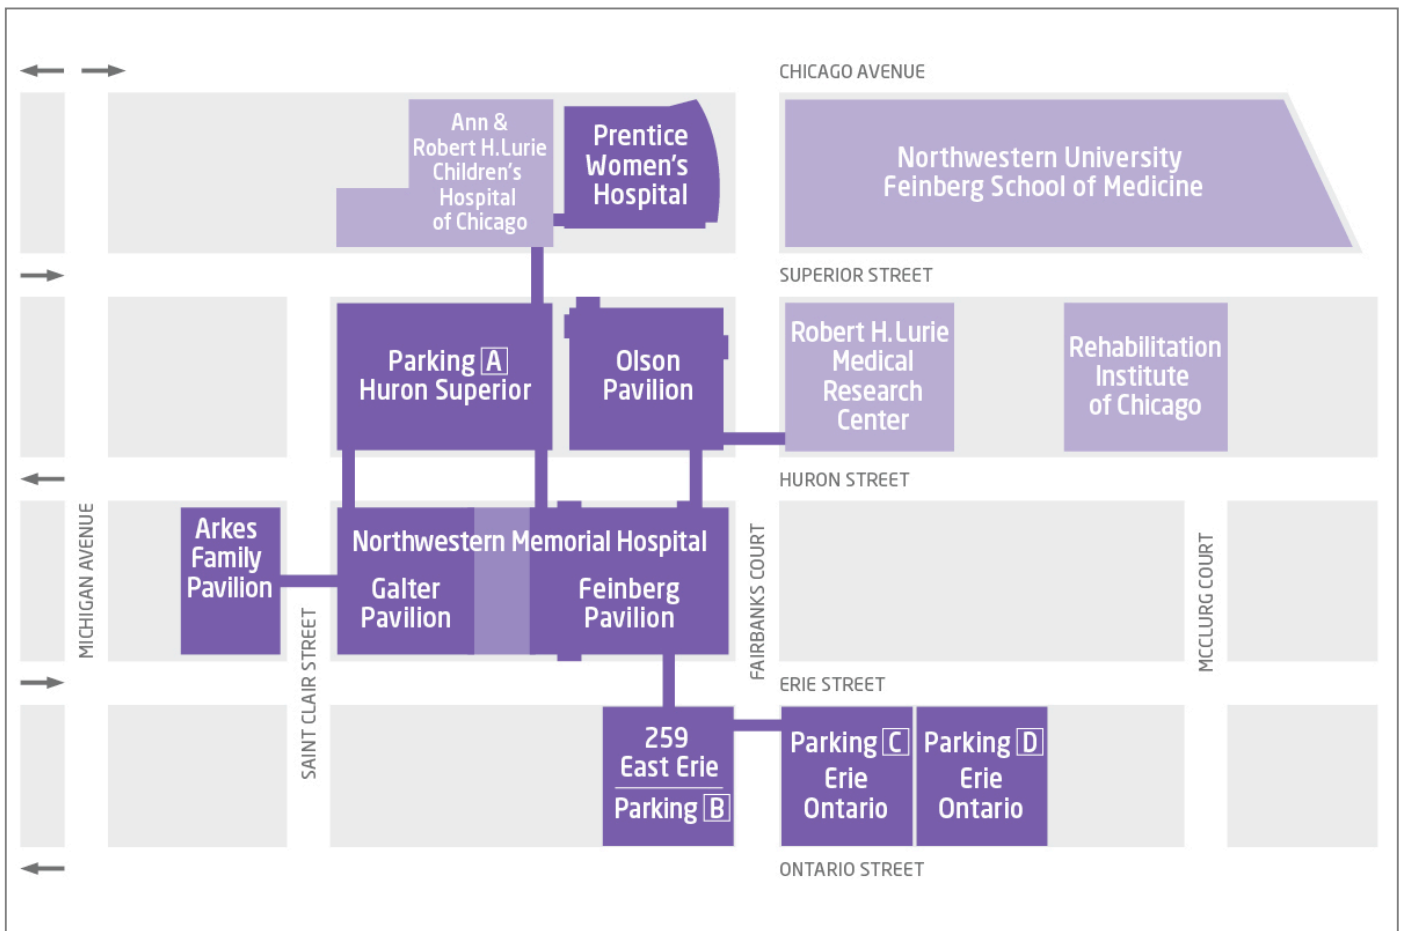

New signage will be installed at the four garage entrances and throughout our facilities:

Parking A – Huron/Superior: Located at 222 E. Huron Street between Superior and Huron streets.

Parking B – 259 East Erie: Located within the new facility at 259 E. Erie Street.

Parking C and D – Erie/Ontario: Located at 321 E. Ontario Street between Erie and Ontario streets. A second-floor bridge connects it to 259 East Erie.

Parking D – Erie/Ontario: Also located on E. Ontario Street between Erie and Ontario streets, this garage is immediately east of Parking C. There is no bridge access to our facilities.
