- Meet the entire Thoracic Surgical Team and network with fellow RNs/RTs and other health care professionals

- Hear from a lung cancer survivor

- Objectives include:
  1. The participant will state the lung cancer staging system.
  2. The participant will discuss at least 4 clinical issues of post-op management.
  3. Recognize the relationship between patients with history of smoking/COPD and lung cancer.

- NMH employees registration fee $25; non-NMH $40
  Registration will occur via Physician Services at 1-877-926-4664
