

# Non-Melanoma Skin Cancers

**FREE  
PUBLIC  
WEBINAR**

## Virtual Event for Patients & Caregivers

Register to receive the link

Details and Registration:

[cancer.northwestern.edu/melanoma](https://cancer.northwestern.edu/melanoma)

Patients with skin cancer and their families are invited to hear Lurie Cancer Center experts discuss emerging therapies, the importance of clinical trials and innovation in research.

This program is being hosted in partnership with AIM at Melanoma, an organization committed to promoting skin cancer education and research.

Visit [cancer.northwestern.edu](https://cancer.northwestern.edu)  
to learn more about  
our upcoming programs.
