

LURIE CANCER CENTER LEARNING SERIES

Brain Tumors

HOSTED BY

**Malnati Brain
Tumor Institute**
of the Lurie Cancer
Center at Northwestern
Memorial Hospital

Brain Tumor Patient & Caregiver Forum

Please join us in person or online for this interactive program designed for brain tumor patients and their caregivers.

*The Malnati Brain Tumor Institute of the Lurie Cancer Center is pleased to offer a patient and caregiver forum. During this complimentary program for brain tumor patients and their families, our experts will discuss advances in brain tumor treatment, as well as skills and resources for managing unique challenges faced by patients and caregivers. This program includes opportunities to ask questions of our experts. Dinner will be included for in person attendees. **Advance registration is required.***
