Lurie Cancer Center Multidisciplinary Head & Neck Symposium

December 3-4, 2016

Prentice Women’s Hospital
250 East Superior Street
Chicago, Illinois

Chair: Sandeep Samant, MD
Chief, Head and Neck Surgery
Northwestern Medicine

Register online at https://cancer.northwestern.edu/headneck
Course Description
The Lurie Cancer Center Multidisciplinary Head & Neck Symposium is a one-and-a-half-day interactive meeting on the diagnosis, treatment and rehabilitation of head and neck cancer patients. The meeting is designed to facilitate a discussion of the latest multidisciplinary techniques in the treatment of head and neck cancer. The meeting will engage medical oncologists, radiation oncologists, otolaryngologists, head and neck surgeons and others involved in the care of head and neck cancer in a dialogue to improve multi-specialty collaboration in the treatment of head and neck cancer.

Conference Objectives
Upon completion of this course, participants will be able to:

1. Employ a multidisciplinary approach to the treatment of head and neck cancer
2. Assess state-of-the art therapeutic options for the treatment of head and neck cancer, including:
   a. Minimally invasive surgical treatment, including robotic surgery, image-guided skull base surgery, and sentinel lymph node mapping
   b. Novel radiation delivery methods, including proton beam therapy and Image-Guided Radiation Therapy (IGRT)
   c. Molecularly targeted chemotherapy and immunotherapy for the treatment of advanced head and neck cancer
3. Discuss future directions to the treatment of head and neck cancer based on the latest basic science and clinical developments, including:
   a. The importance of human papillomavirus (HPV) in the treatment of head and neck cancer
   b. The latest developments in the molecular biology of head and neck cancer and its impact on management
   c. The role of biomarkers in contemporary management of head and neck cancer
   d. The use of advanced imaging techniques in the evaluation and surveillance of head and neck cancer
4. Apply current treatment guidelines to patients with head and neck cancer
5. Incorporate quality measures for the care of head and neck cancer into their own clinical practice

Target Audience
The target audience for this activity includes medical oncologists, radiation oncologists, surgical oncologists, fellows in training, oncology nurses, oral surgeons, dentists, speech pathologists and allied health professionals treating or interested in treating those with head and neck cancer.

Accreditation Statement
The Northwestern University Feinberg School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit Designation
The Northwestern University Feinberg School of Medicine designates this live activity for a maximum of 12.75 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Other Credits
The American Academy of Nurse Practitioners and the American Nurses Credentialing Center accept AMA PRA Category 1 Credits(s)™ from organizations accredited by the ACCME.
Location & Accommodations

Conference Location
The program will be held at:
- Northwestern Memorial Hospital
- Prentice Women’s Hospital
- 250 East Superior Street
- Conference Room L
- Chicago Illinois

Hotel Accommodations
A block of rooms has been reserved at The Hyatt Chicago Magnificent Mile at a rate of $169.00 for a single/double occupancy, plus tax. In order to receive this rate, reservations MUST be made thru: https://resweb.passkey.com/go/CancerCenter2016 or by calling 888-591-1234. Reservations must be made before November 4, 2016 to ensure availability and group rates. All rooms reserved after this date are subject to availability. All rooms must be guaranteed with a major credit card.

Chicago is a popular vacation and convention destination. We recommend that you make your reservations as soon as possible in order to guarantee accommodations.

Additional Information
For additional information, please contact Erin Donoghue at erin.donoghue@northwestern.edu.

Educational Grants/Commercial Support
A complete listing of commercial support received will be provided in the conference materials.

Faculty Disclosure

Current guidelines state that participants in CME activities should be made aware of any affiliation of financial interest that may affect the speaker’s presentation. Each speaker has been requested to complete a faculty disclosure form. The names of faculty members declaring a relationship or who will be discussing off-label usage will be indicated in the course syllabus.
### Program

**Saturday, December 3, 2016**

- **7:00am** | Breakfast, Exhibits, Registration
- **7:45am** | Opening Remarks
- **8:00am** | **Oral Cavity**  
  **Moderator:** Jatin Shah, MD, PhD, DSc  
  - Management of NO Neck – Sandeep Samant, MD  
  - Imaging for Oral Cancers – Achilles Karagianis, DO  
  - Reconstruction of Oral Defects – Urjeet Patel, MD  
  - Adjuvant Therapy for Oral Cancers – Timothy Kruser, MD  
  - Case Presentations – Jatin Shah, MD, PhD, DSc
- **9:30am** | Break & Exhibits
- **9:45am** | **Keynote Session 1: ImmunoTherapy in Head and Neck Cancer**  
  **Moderator:** Jeffrey Sosman, MD  
  - Advances in ImmunoTherapy for Cancer – Jeffrey Sosman, MD  
  - ImmunoTherapy for Recurrent Metastatic Head and Neck Cancer – Tanguy Seiwert, MD  
  - Is There a Role for ImmunoTherapy in Advanced Head and Neck Cancer? – Robert Ferris, MD, PhD  
  - BiFunctional Immunomodulatory Antibody-ligand Traps (Y-traps): The Future of Cancer Immunotherapy – Atul Bedi, MBBS  
  - Q&A
- **10:05am** | **Salivary Glands**  
  **Moderator:** William Lydiatt, MD  
  - Surgical Management of Salivary Gland Cancers – Kerstin Stenson, MD  
  - Radiation Therapy for Salivary Cancers – Bharat Mittal, MD  
  - Molecular Characterization of Adenoid Cystic Carcinoma – Nishant Agrawal, MD  
  - Update on Drug Therapy for Recurrent/Metastatic Salivary Cancers – Mark Agulnik, MD  
  - Management of Parapharyngeal Space Tumors – Ricardo Carrau, MD  
  - Case Presentations – William Lydiatt, MD
- **12:00pm** | Lunch
- **1:00pm** | **Oropharynx**  
  **Moderator:** James Rocco, MD, PhD  
  - Radiation Therapy Considerations in Oropharyngeal Cancer – Paul Harari, MD  
  - Primary Surgery for Oropharyngeal Cancer – Sandeep Samant, MD  
  - Monitoring and Management of Swallowing Dysfunction After Oropharyngeal Cancer Treatment – Bonnie Martin-Harris, PhD, CCC-SLP, BRS-S  
  - Survival and Functional Outcomes Following Surgery of the Oropharynx – Theodoros Teknos, MD  
  - Case Presentations – James Rocco, MD, PhD
- **2:15pm** | **Pecha Kucha**  
  **Moderator:** Sandeep Samant, MD  
  - **Part 1: Personalized Medicine**  
    - Personalized Medicine: Genotype Directed Trials in Head and Neck Cancer – Tanguy Seiwert, MD  
    - Personalized Medicine in Head and Neck Cancer – How I do it? – Robert Haddad, MD  
    - Challenges to Personalized Medicine: Tumor Heterogeneity in Head and Neck Cancer – James Rocco, MD, PhD  
    - Q&A
  - **Part 2: Looking Beyond**  
    - Salivary Endoscopy – Mihir Bhayani, MD  
    - Surgical Complications in Head Neck Surgery – Urjeet Patel, MD  
    - Tumor DNA as Biomarker in Head Neck Cancer – Nishant Agrawal, MD  
    - Imaging at the Skull Base – Achilles Karagianis, DO  
    - Q&A
- **3:30pm** | Break & Exhibits
- **3:50pm** | **Thyroid**  
  **Moderator:** Ashok Shaha, MD  
  - Molecular Diagnostics for Thyroid Nodules – Robert Ferris, MD, PhD  
  - Review of ATA Guidelines – Peter Kopp, MD  
  - Management of Advanced Thyroid Cancer – Jatin Shah, MD, PhD, DSc  
  - Advances in Drug Therapy for Thyroid Cancer – Maria Matsangou, MBChB  
  - Case Presentations – Ashok Shaha, MD
- **5:30pm** | Adjourn
Sunday, December 4, 2016

7:00am  Breakfast, Exhibits, Registration

8:00am  **Keynote Session 2: De-escalating Therapy in HPV Positive Oropharyngeal Cancer**  
**Moderator: Robert Ferris, MD, PhD**  
- Why is Deintensification Necessary? – Nishant Agrawal, MD  
- Is There a Role for Induction and TFXH in the Era of Deintensification? – Daniel Haraf, MD  
- Surgical Deintensification – Sandeep Samant, MD  
- Case Presentations – Robert Ferris, MD, PhD

9:10am  **Skin Cancers**  
**Moderator: Randal Weber, MD**  
- Surgical Management of Skin Cancers of the Head and Neck – Randal Weber, MD  
- Advances in Drug Therapy for Skin Cancers – Sunandana Chandra, MD, MS  
- Surgical Management of Melanoma – Jeffrey Wayne, MD  
- Radiation Therapy for Skin Cancers in the Head and Neck – Roger Ove, MD, PhD  
- Case Presentations – Randal Weber, MD

10:20am  Break & Exhibits

10:35am  **Larynx**  
**Moderator: Randal Weber, MD**  
- Update of Radiation Therapy for Early Laryngeal Cancer – Paul Harari, MD  
- Organ Preservation Therapy for Laryngeal and Hypopharyngeal Cancer – Robert Haddad, MD  
- Swallowing Function in Laryngeal Cancer – Mihir Bhayani, MD  
- Treatment Options for Advanced Laryngeal Cancer – Theodoros Teknos, MD  
- Case Presentations – Randal Weber, MD

11:45am  **Nasal Cavity and Paranasal Sinuses/Nasopharynx**  
**Moderator: Jatin Shah, MD, PhD, DSc**  
- Endoscopic Approach to Anterior Skull Base Malignancy – Ricardo Carrau, MD  
- Indications for Open Surgery – William Lydiatt, MD  
- Role of Proton Therapy in Anterior Skull Base Malignancy – John Han-Chih Chang, MD  
- Restoration of Surgical Maxillary Defects – Mark Hutten, DDS, MS  
- Update on Nasopharynx Carcinoma Treatment – Mark Agulnik, MD  
- Case Presentations – Jatin Shah, MD, PhD, DSc

1:00pm  Adjourn

Advance registration is encouraged, as space and materials are limited. To qualify for the discounted registration fee, the completed form and payment must be received by the Lurie Cancer Center on or before October 1, 2016. The registration fee includes conference tuition, CME credits, materials, four breakfasts, and breaks.

Cancellation Policy
If you cancel your participation in this conference, your registration fee less a $50 administrative fee, will be refunded when written notification is received by November 5, 2016. No refunds will be made after November 5, 2016.

Accessibility
The conference co-sponsors and educational partner are committed to providing equal access appropriate to need and circumstance and complies fully with the legal requirements of the Americans with Disabilities Act. If you are in need of special accommodations, please contact Erin Donoghue at erin.donoghue@northwestern.edu.
